

CHEVRON NIGERIA LIMITED

(R.C. 6135)

Operator of the NNPC/Chevron Joint Venture

TENDER OPPORTUNITY PROVISION OF VESSEL TRACKING SERVICES NipeX Tender Number - CNL.0000122

INTRODUCTION:

Chevron Nigeria Limited invites interested and prequalified companies for this tender opportunity for the Provision of Marine monitoring and tracking system in its areas of operations. The proposed contract term is 2 (two) years with an option of 1 (one) year extension.

SCOPE OF WORK:

Contractor shall provide a flexible, stable, and user friendly Mobile Asset Monitoring and Tracking Services for monitoring locations of marine vessels in her operational locations. The system shall provide a high degree of positional accuracy and fast real time positional data update of mobile assets for effective command and control response.

Contractor shall supply, install and maintain a combination of tracking modems relaying signals to an application hosted in a secure location to display the data in a map format for the end user on 20 to 300 marine vessels. Data collection, support and management center shall be in Escravos.

The vessels are either Company owned or hired from third party vessel providers. The Contractor will be required to install or decommission the tracking service on the vessels as they come on or off hire in the operational areas of Warri, Onne, Escravos, Agbami Fields and any other identified location.

Due to the criticality of this service, a 99.99% uptime is required. Therefore, the Contractor must demonstrate very high technical expertise in this area that will be able to provide total end-to-end service. Contractor shall provide highly trained and skilled employees to support the service and the management center. Such personnel will provide end to end technical support for the application, database, hardware and tracking units.

The Contractor shall provide all hardware, software, infrastructure, personnel, equipment and materials required to provision the tracking service. Company shall pay a monthly rental fee for the service.

MANDATORY TENDER REQUIREMENTS:
