4.0 NIGERIAN CONTENT

Enageed Resource Limited is committed to the development of the Nigerian Oil and Gas business in line with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

Pursuant to the enactment of the NOGICD Act, the minimum Nigerian Content in any Project, Service or Product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set

in the schedule of the Act and any other target as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

Contractors shall comply with the provisions of the NOGICD Act and all applicable regulations. Bidders that do not meet the Nigerian Content criterion will not be allowed to participate in next Tender Stage

The following are the Nigerian Content requirements bidders are expected to comply with in their technical bid submission.

- A. A Nigeria Content Execution Plan, which shall explain the methodology of how it intends to comply with the requirements of the Plan, and how to achieve the set target(s) in the Schedule of Nigerian Oil & Gas Industry Content Development Act, and any targets set by the Nigerian Content Monitoring Board.
- B. Demonstration that the entity is a Nigerian Registered Company, or Nigerian Registered Company as the contracting entity in genuine alliance or joint venture with foreign company with details on scope and responsibilities of parties for this work. Such companies must show evidence of joint venture binding agreement duly signed by the CEO of both companies including evidence or plans of physical operational presence and set-up in Nigeria.
- C. Development of a Technology Transfer Plan which shall explain the methodology of how it intends to promote the effective transfer of technologies from alliance partners to Nigerian individuals and companies.
- D. Development of an employment and training plan which shall explain the contract hiring and training needs with a breakdown of the skills needed and anticipated skill shortage in the Nigerian labour force.
- E. Development of plan for the procurement of goods and services manufactured in Nigeria, as well as procurement of line pipes from/through only NCDMB approved Line Pipes Vendors.
- F. Demonstration of a plan for the utilization of third party services of Nigerian origin and Nigerian sub-contractors in executing the work.
- G. In line with the NCD Human Capacity Development Initiative, Bidder shall commit to providing Project-Specific training, man-hour, budget, skill development and understudy plan for Nigerian personnel utilizing OGTAN registered trainer(s) or other approved NCDMB training institution(s).
- H. For projects that entails Research and Development, develop a Research & Development Plan which shall explain the methodology of how it intends to promote education, attachments, training, research and development in Nigeria in relation to the contract.
- I. Possession of a Nigerian Content Equipment Certification (NCEC) for OEM equipment to be supplied in delivering the service to the contract.
- J. Any other requirement in relation to the work scope.

5.0 Closing Date:

Only bidders who are registered with NJQS Product/Service Category 4.04.04 and 4.05.04 as at 16:00 Hours, 12th October, 2020 being the advert close date shall be invited to submit technical bid.

Please note the following:

1. Suppliers eligible for this tender opportunity are expected to be prequalified in NJQS under this product/service category.
2. The Invitation to Tender (ITT) and any further progression of this tender shall be via NipeX.
3. All costs incurred in preparing and processing NJQS prequalification shall be to the contractor's accounts.
4. Suppliers eligible for this tender must meet the requirements of Surveyors' Registration Council of Nigeria (SURCON) for survey activities in Nigeria.
5. This advertisement shall neither be construed as any form of commitment on the part of Enageed Resource Limited to award any contract to any company and /or associated companies, sub-contractors or agents, nor shall it entitle prequalified companies to make any claims whatsoever, and/or seek any indemnity from Enageed Resource Limited and/or any of its partners by virtue of such companies having been prequalified in NJQS.
6. The tendering process shall be the NNPC contracting process requiring pre-qualified companies to submit technical tenders first. Following a technical review, only technically and financially qualified contractors will be requested to submit commercial tenders.
7. Enageed Resource Limited will communicate only with authorized officers of the pre-qualifying companies and NOT through individuals or Agents.
