- iv. To initiate the JQS prequalification process, access www.nipex-ng.com to download an application form, make necessary payments and contact NipeX office for further action.
- v. To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system

4. NIGERIAN CONTENT REQUIREMENT

Company is committed to the development of the Nigerian Oil and Gas business in compliance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICDA) enacted by the Federal Government of Nigeria in April 2010.

As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the Schedule to the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

NNPC/ ESSO PSC requires their Contractors to comply with the Act, its attached Schedule and any applicable regulation developed by the NCDMB.

Nigerian Content (NC) in the Nigerian oil and gas industry is defined as:

"The quantum of composite value added to or created in the Nigerian economy by a systematic development of capacity and capabilities through the deliberate utilization of Nigerian human, material resources and services in the Nigerian oil and gas industry."

"Nigerian company" is a company registered in Nigeria in accordance with the provisions of Companies and Allied Matters Act with not less than 51% equity shares by Nigerians.

Bidders shall consider Nigerian content as an important element of their overall project development and management philosophy for project execution.

As part of their technical tender submissions, prequalified Tenderers shall:

- i. Provide evidence of company Ownership Structure form CO2 and CO7, registration on NOGIC JQS and DPR certificate.
- ii. Detailed description of the location of in-country committed facilities & infrastructure (Administrative/Technical offices) in Nigeria to support this contract.
- iii. In line with the NCD Human Capacity Development Initiative, Bidder shall commit to providing Project-Specific training, man-hour, budget, skill development and understudy plan for Nigerian personnel utilizing OGTAN registered trainer(s) or other approved NCDMB training institution(s).
- iv. Submit Tenderer's corporate organizational and project/contract specific organogram. CV's of all personnel (as required by the client and the service) listed in the project organogram should be submitted. For any position to be occupied by expatriate, tenderer shall provide evidence to obtain expatriate quota approval granted by NCDMB before any expatriate is deployed to execute this work scope".
- v. Details of in-country procurement plan and Binding MOA to source goods and materials.
- vi. Provide minimum of 50% Nigeria equity ownership of equipment to be deployed for this service and of the laboratory to be utilized for the analysis of the samples
- vii. Contractor shall be required to obtain category C NCEC (Nigerian Content Equipment Certificate) for equipment to be used in executing the work scope
- viii. Contractor shall demonstrate plan for the utilization of third party services of Nigerian origin and Nigerian subcontractor in executing this work scope

Bidders' failure to comply with the NOGICDA Act or demonstrate commitment to Nigerian Content development will result in Bidder's disqualification.

5. CLOSE DATE

Only Tenderers who are registered in the NJQS product/category as at 1600hrs on **Monday, 19th October, 2020** being the advert close date shall be invited to submit Technical and Commercial bids.
