- iv. To initiate the JQS prequalification process, access www.nipex-ng.com to download an application form, make necessary payments and contact NipeX office for further action.
- v. To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system

4. NIGERIAN CONTENT

Company is committed to the development of the Nigerian Oil and Gas business in compliance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the Schedule to the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

NNPC/ MPN JV requires their Contractors to comply with the Act, its attached Schedule and any applicable regulation developed by the NCDMB.

Nigerian Content (NC) in the Nigerian oil and gas industry is defined as:

"The quantum of composite value added to or created in the Nigerian economy by a systematic development of capacity and capabilities through the deliberate utilization of Nigerian human, material resources and services in the Nigerian oil and gas industry."

"Nigerian company" is a company registered in Nigeria in accordance with the provisions of Companies and Allied Matters Act with not less than 51% equity shares by Nigerians.

Bidders shall consider Nigerian content as an important element of their overall project development and management philosophy for project execution.

As part of their technical tender submissions, prequalified Tenderers shall:

- i. Provide a description of its committed infrastructure (asset, equipment, technical office, and administrative space, storage, workshop, assembly area, repair, and maintenance, testing, laboratory, etc.) in Nigeria (offices, equipment etc.) to support this contract, evidence that a minimum of 50% of all equipment deployed to work by multinational and international companies are owned by the Nigerian subsidiary.
- ii. Demonstrate that its entity is a Nigerian registered company, defined as a company formed and registered in Nigeria in accordance with the provision of Company and Allied Matters Act. Provide details of its Ownership Structure. Submit certified true copies of CAC form (C02 and CO7) including Memorandum and Article of Association. For Nigerian company in alliance with a foreign company or multinational, submit evidence of binding agreement of the alliance duly signed by the CEO's of both parties.
- iii. For Nigerian company in alliance with a foreign company or multinational, submit evidence of binding Memorandum of Agreement which will be governed by the laws of the Federal Republic of Nigeria, indicating the scope of work each party will perform and duly signed by the CEO's of both parties.
- iv. Submit a plan on how it intends to give first consideration to goods and services provided from within Nigeria, to meet 90% man-hour NC target in line with the requirements of the Act.
- v. Demonstrate key Management positions that are Nigerian Nationals and the percentage of the Company total workforce (direct and in-direct employees) that are Nigerians
- vi. Submit a plan on how it intends to provide Human Capacity Development and Personnel Training
- vii. Applicant shall demonstrate valid registration permit and licenses issued by the Ministry of Interior/Internal affairs for this service category or by it relevant security agencies e.g. NSCDC, etc.
- viii. Bidder shall incorporate organizational and project/contract specific organogram. The project organogram should include but not limited to the names and nationality of the personnel that will execute the work scope. CV's of all personnel listed in the project organogram should be submitted

Bidders' failure to comply with the NOGICD Act or demonstrate commitment to Nigerian Content development will result in Bidder's disqualification.

5. CLOSE DATE

This tender opportunity is open for fifteen (15) working days and shall close to interested bidders by **1600hrs** on **February 13, 2019**.
