

Mobil Producing Nigeria Unlimited

An **ExxonMobil** Subsidiary

Operator of the NNPC/MPN Joint Venture

Tender Opportunity: Coiled Tubing and Nitrogen Pumping Services: 2017-2020

NipeX Tender Number: 0400244

1. INTRODUCTION

Mobil Producing Nigeria Unlimited (MPN), operator of NNPC/MPN Joint Ventures plans to carry out Coiled Tubing and Nitrogen Pumping Services on wells located in their Joint Venture (JV) acreage for an anticipated contract term of two (2) firm years with a one (1) year optional renewal period (2+1). Contract is expected to commence in the first quarter of 2017.

2. SCOPE OF WORK

The scope of work shall involve provision of personnel, equipment, and consumables associated with Coiled Tubing Equipment and Nitrogen Pumping services to be utilized on a periodic callout basis. Equipment will include; skid mounted coiled tubing unit, 1-1/2 or 2" coiled tubing string, downhole tools, work reel, injector head, operators control cabin, data acquisition, power pack unit, fluid pumping unit, pressure control equipment, coiled tubing lifting frame (complete with associated equipment), chemical tanks, mixing tanks, nitrogen, nitrogen tanks and spare components. System provided to be rated for 10,000 psi working pressure. Individual component dead weight for lifting onto the MODU is limited to 45 metric tons

Contractor shall provide qualified and competent personnel to install, operate and maintain Contractor's equipment during normal Completion and Work over operations as well as effective, competent and real time supervision of Coiled Tubing and Nitrogen Pumping Service during the planning and onsite execution of work program.

3. MANDATORY REQUIREMENTS

1. All successfully pre-qualified suppliers in this category will receive Invitation to Technical Tender (ITT).
2. To determine if you are prequalified and view the product/service category you are listed for: Open www.nipex-ng.com and access NJQS with your log-in details, click on continue Joint Qualification Scheme tool, click check my supplier status and then click supplier product group.
3. If you are not listed in a product/service category you are registered with DPR to do business, contact NipeX office at 30 Oyinkan Abayomi Street, Ikoyi Lagos with your DPR certificate as evidence for verification and necessary update.
4. To initiate the JQS pre-qualification process, access www.nipex-ng.com to download an application form, make necessary payments and contact NipeX office for further action.
5. To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system.

4. NIGERIAN CONTENT

Company is committed to the development of the Nigerian Oil and Gas business in compliance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the Schedule to the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

MPN requires their Contractors to comply with the Act, its attached Schedule and any applicable regulation developed by the NCDMB.

Nigerian Content (NC) in the Nigerian oil and gas industry is defined as:
"The quantum of composite value added to or created in the Nigerian economy by a systematic development of capacity and capabilities through the deliberate utilization of Nigerian human, material resources and services in the Nigerian oil and gas industry."

"Nigerian Company means a company formed and registered in Nigeria in accordance with the provision of Companies and Allied Matters Act with not less than 51% equity shares by Nigerians".

Bidders shall consider Nigerian content as an important element of their overall project development and management philosophy for project execution.

As part of their technical tender submissions, prequalified Tenderers shall:

- i. Provide a description of its committed infrastructure (asset, equipment, technical office, and administrative space, storage, workshop, assembly area, repair, and maintenance, testing, laboratory, etc.) in Nigeria (offices, equipment etc.) to support this contract, evidence that a minimum of 50% of all equipment deployed to work by multinational and international companies are owned by the Nigerian subsidiary.
- ii. Demonstrate that its entity is a Nigerian registered company, defined as a company registered in Nigeria in accordance with the provision of Company and Allied Matters Act. Provide details of its Ownership Structure. Submit certified true copies of CAC form (C02 and C07) including Memorandum and Article of Association. For Nigerian company in alliance with a foreign company or multinational, submit evidence of binding agreement of the alliance duly signed by the CEO's of both parties.
- iii. Submit a plan on how it intends to give first consideration to services provided from within Nigeria, to meet 75% and 95% man-hours NC targets on Coiled Tubing and Nitrogen Pumping services respectively in line with the requirements of the Act.
- iv. Demonstrate key Management positions that are Nigerian Nationals and the percentage of the Company total workforce (direct and in-direct employees) that are Nigerians
- v. Submit a plan on how it intends to provide Human Capacity Development and Personnel Training
- vi. Submit evidence of Memorandum of Agreement (MOA) with NCDMB approved R&D cluster for the execution of the R&D activities.
- vii. Provide evidence of application for NIGERIAN CONTENT EQUIPMENT CERTIFICATE (NCEC) issued by Nigerian Content Development and Monitoring Board (in respect of any components, spares, equipment, systems and packages to be used on the project

Bidders' failure to comply with the NOGICD Act or demonstrate commitment to Nigerian Content development will result in Bidder's disqualification.

5. CLOSE DATE
