4. NIGERIAN CONTENT

Company is committed to the development of the Nigerian Oil and Gas business in compliance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the Schedule to the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

MPNU requires their Contractors to comply with the Act, its attached Schedule and any applicable regulation developed by the NCDMB.

Nigerian Content (NC) in the Nigerian oil and gas industry is defined as:

“The quantum of composite value added to or created in the Nigerian economy by a systematic development of capacity and capabilities through the deliberate utilization of Nigerian human, material resources and services in the Nigerian oil and gas industry.”

"Nigerian company" is a company registered in Nigeria in accordance with the provisions of Companies and Allied Matters Act with not less than 51% equity shares by Nigerians.

Tenderers shall consider Nigerian content as an important element of their overall project development and management philosophy for project execution.

In the course of tendering and as part of their submissions, tenderers shall be requested to:

1. Provide a description of its committed infrastructure (asset, equipment, technical and administrative office(s), inspection tools, etc.) in Nigeria to support this contract and evidence that a minimum of 50% of all equipment/tools deployed to work by multinational and international companies are owned by the

Nigerian subsidiary.

2. Demonstrate that its entity is a Nigerian registered company, defined as a company registered in Nigeria in accordance with the provision of Company and Allied Matters Act. Provide details of its Ownership Structure. Submit certified true copies of CAC form (C02 and CO7) including Memorandum and Article of Association. For Nigerian company in alliance with a foreign company or multinational, submit evidence of binding agreement of the alliance duly signed by the CEO's of both parties.
3. Submit a plan on how it intends to give first consideration to goods and services provided from within Nigeria, to meet NC targets for the various phases of the project in line with the requirements of the NOGICD Act.
4. Demonstrate key Management positions that are Nigerian Nationals and the percentage of the Company total workforce (direct and in-direct employees) that are Nigerians
5. Submit a plan on how it intends to provide Human Capacity Development and Personnel Training
6. Tenderer shall provide evidence of Nigerian content Equipment certificate NCEC that will be used for these work scope

Tenderer's failure to comply with the NOGICD Act or demonstrate commitment to Nigerian Content development will result in Tenderer's disqualification.

5. CLOSE DATE

Only tenderers who are registered in the **NJQS Product Category: 4.02.01:** (Engineering/ Procurement Services – Steel/ Metal/ Concrete Structures/ Platforms) as at **1600hrs** on **Thursday, October 31, 2019** being the advert closing date shall be invited to submit Technical Bids.
