- E. To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system.

4. NIGERIAN CONTENT

Company is committed to the development of the Nigerian Oil and Gas business in compliance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the Schedule to the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

MPNU requires their Contractors to comply with the Act, its attached Schedule and any applicable regulation developed by the NCDMB.

Nigerian Content (NC) in the Nigerian oil and gas industry is defined as:

"The quantum of composite value added to or created in the Nigerian economy by a systematic development of capacity and capabilities through the deliberate utilization of Nigerian human, material resources and services in the Nigerian oil and gas industry."

"Nigerian company" is a company registered in Nigeria in accordance with the provisions of Companies and Allied Matters Act with not less than 51% equity shares by Nigerians.

Tenderers shall consider Nigerian content as an important element of their overall project development and

management philosophy for project execution.

Tenderer shall demonstrate how first consideration shall be given to the procurement of good and services of Nigerian origin not limited to Line pipes, and line pipe appurtenances, sacrificial anodes, paints, GRE piping, etc.

As part of their submissions, Tenderers shall:

- (a) Provide a description of its committed infrastructure (asset, equipment, technical and administrative office(s), inspection tools, etc.) in Nigeria to support this contract.
- (b) Evidence that 50% of all equipment deployed to work are owned by Nigerian Companies/ entities.
- (c) Provide evidence of company Ownership Structure form CO2 and CO7, registration on NOGIC JQS, DPR certificate,
- (d) Submit a plan on how it intends to give first consideration to goods and services provided from within Nigeria, to meet NC targets for the various phases of the project in line with the requirements of the NOGICD Act.
- (e) Demonstrate key Management positions that are Nigerian Nationals and the percentage of the Company total workforce (direct and in-direct employees) that are Nigerians
- (f) Submit a plan on how it intends to provide Human Capacity Development and Personnel Training
- (g) Provide evidence of application for NIGERIAN CONTENT EQUIPMENT CERTIFICATE (NCEC) issued by Nigerian Content Development and Monitoring Board (in respect of any components, spares, equipment, systems and packages to be used on the project
- (h) Tenderer shall ensure that for marine vessels not limited to transportation barges, installation vessels, supply vessels, etc, first consideration shall be given to Nigerian vessels owned by category A/AA vendors and duly categorized on the latest NCDMB NOGIC JQS marine vessel categorization.

Tenderer's failure to comply with the NOGICD Act or demonstrate commitment to Nigerian Content development will result in Tenderer's disqualification.

5. CLOSE DATE

Only tenderers who are registered in the NJQS Product category: 4.05.01: (EPCIC for Steel / Metal / Concrete Structures / Platforms) as at **July 15, 2019** being the advert closing date shall be invited to submit Technical Bids.
