

Mobil Producing Nigeria Unlimited

An **ExxonMobil** Subsidiary

Operator of the NNPC/MPN Joint Venture

Tender Opportunity: Provision of Non-Destructive Testing and Inspection Services NipeX Tender Number: 100002241

1 INTRODUCTION

Mobil Producing Nigeria Unlimited (MPN) operator of the NNPC/MPN Joint Venture (JV) plans to carry out Non Destructive Testing and Inspection Services on its offshore exploration, appraisal, and production location(s) in NNPC/MPN JV acreages. Anticipated contract term is two (2) years with an additional one (1) year optional period.

An open competitive tendering process through the NipeX portal will be adopted and a contract will be awarded to more than one bidder at the lowest responsive evaluated price/rates.

2 SCOPE OF WORK

Tenderer(s) will be required to provide Non Destructive Testing and Inspection Services. The scope of work shall involve provision of personnel and equipment associated with Non Destructive Testing and Inspection Services but not limited to: tubular handling; visual inspection; Electromagnetic Inspection (EMI); Wet and dry Magnetic Particles Inspection (MPI), Full Length Ultrasonic Inspection (FLUI); wall thickness Ultrasonic Testing (UT) test for plates and membranes, classification of tubing, casing and drill string connections; pressure testing; internal visual inspection of tubular goods (borescope and/or video); welded pad eyes or any load bearing rig weld/fabrication, and others as Company may require.

Contractor's inspection services shall include but are not limited to the following NDT inspections:

- I. New, used, repaired and re-threaded casing and tubing at the Drilling Unit or other Company designated facility when requested by Company
- II. Drill string tubular goods at the Drilling Unit or other Company designated facility when requested by Company. Drill string tubular goods shall include, but are not limited to drill pipe, drill collars, drill subs, directional tools and motors, MWD and LWD tools and other items as specified by Company;
- III. Certain completion accessories such as gravel pack, screens, blanks, subs, completion components and accessories, handling equipment etc. at the Drilling Unit or other Company designated facility when requested by Company
- IV. Heavy lifting gear (cranes, top drives, elevators, slips, crown & travelling blocks, crane pedestals & blocks, etc.), hoisting & lifting equipment (slings, shackles, cargo baskets, cargo boxes, etc.), flanges, blinds and any other drilling or rig related equipment at the Drilling Unit or other Company designated facility when requested by Company.
- V. Welded pad eyes or any load bearing rig weld/fabrication
- VI. Wall thickness Ultrasonic Testing (UT) test for plates and membranes
- VII. Rope access inspection and inspection at heights

3 MANDATORY REQUIREMENT

- a. To be eligible for this tender exercise, interested Tenderers are required to be prequalified in the 3.07.01 (Non-Destructive Testing and NDE Services) category in NipeX Joint Qualification Scheme (NJQS) database. All successfully pre-qualified suppliers in this category will receive Invitation to Technical Tender (ITT).
- b. To determine if you are pre-qualified and view the product/service category you are listed for: Open <http://vendors.nipexjqs.com> and access NJQS with your log in details. Click on Products/Services Status tab to view your status and product codes.
- c. If you are not listed in a product/service category you are registered with DPR to do business, contact NipeX office at 8, Bayo Kuku Street, Ikoyi Lagos with your DPR certificate as evidence for verification and necessary update.
- d. To initiate the JQS pre-qualification process, access www.nipex-ng.com, click on services tab followed by NJQS registration.
- e. To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system.

4. NIGERIAN CONTENT

Company is committed to the development of the Nigerian Oil and Gas business in compliance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the Schedule to the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

MPNU requires their Contractors to comply with the Act, its attached Schedule and any applicable regulation developed by the NCDMB.

Nigerian Content (NC) in the Nigerian oil and gas industry is defined as:

"The quantum of composite value added to or created in the Nigerian economy by a

systematic development of capacity and capabilities through the deliberate utilization of Nigerian human, material resources and services in the Nigerian oil and gas industry."

"Nigerian company" is a company formed and registered in Nigeria in accordance with the provisions of Companies and Allied Matters Act with not less than 51% equity shares by Nigerians.

Tenderers shall consider Nigerian content as an important element of their overall project development and management philosophy for project execution.

As part of their technical tender submissions, Tenderers shall:

- I. Provide a description of its committed infrastructure (asset, equipment, technical office, and administrative space, storage, workshop, assembly area, repair and maintenance, testing, laboratory, etc.) in Nigeria (offices, equipment etc.) to support this contract, evidence that a minimum of 50% of all equipment deployed to work by multinational and international companies are owned by the Nigerian subsidiary.
- II. Demonstrate that its entity is a Nigerian registered company, defined as a company formed and registered in Nigeria in accordance with the provision of Company and Allied Matters Act. Provide details of its Ownership Structure. Submit certified true copies of CAC form (C02 and C07) including Memorandum and Article of Association. For Nigerian company in alliance with a foreign company or multinational, submit evidence of binding agreement of the alliance duly signed by the CEO's of both parties.
- III. Submit a plan on how it intends to give first consideration to goods and services provided from within Nigeria, to meet 60% man-hours and 60% Spend NC targets for Pumping Services and Procurement of Chemicals respectively in line with the requirements of the Act.
- IV. Demonstrate key Management positions that are Nigerian Nationals and the percentage of the Company total workforce (direct and in-direct employees) that are Nigerians
- V. Submit a plan on how it intends to provide Human Capacity Development and Personnel Training
- VI. Provide evidence of application for NIGERIAN CONTENT EQUIPMENT CERTIFICATE (NCEC) issued by Nigerian Content Development and Monitoring Board (in respect of any components, spares, equipment, systems and packages to be used on the project

Tenderer's failure to comply with the NOGICD Act or demonstrate commitment to Nigerian Content development will result in Tenderer's disqualification.

5 CLOSE DATE
