NCDMB CERTIFICATION NUMBER: ES/NCDMB/NOAC-ADVERT/2018/19/UPD/PROVISION OF 3000HP-15000PSI LAND RIG FOR NAOC JV OPERATIONS

**MANAGEMENT**

- d) To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system.

**4. NIGERIAN CONTENT**

Bidders are invited to express complete understanding, willingness and commitment to comply with the Nigerian Oil and Gas Industry Content Development (NOGICD) Act, 2010 and Insurance ACT 2003. Consequently, bidders' submissions shall be evaluated strictly with the minimum evaluation criteria defined in the NOGICD Act.

In line with the relevant provisions of the NOGICD Act, 2010 and the NCDMB- approved rig utilization strategy, First considerations shall be given to bidders that demonstrate evidence of utilization and Nigerian-ownership of rigs or Nigerian-equity acquisition within the nominated rigs or any other drilling rigs (land/swamp etc.) or the Bidding entity (supported by verifiable evidence) propose to deploy and utilize for the service a nominated Nigerian-owned Land/swamp drilling rig (providing MOA for a rig owned by a Nigerian 3rd party).

The documentation for evaluation shall include but not be limited to the following:

- Only Nigerian indigenous companies having 51% and above equity shares by Nigerian shall bid for this work scope. Demonstrate that entity is a Nigerian-registered company. Submit certified true copies of CAC forms 10, 02 & 07 (or its equivalent; CAC 2.3, 2.4, 2.5, etc) including company memorandum & article of association and other evidence of entity's incorporation, shareholding & ownership structure in Nigeria.
- Provide current and in-place organization structure (organogram populated with names).
- Provide evidence of percentage of Nigerian nationals (with their cv's) that shall man the Rig
- Tenderer shall provide evidence of at least 50% Nigerian ownership of rig equipment to be deployed for this service.
- Tenderer shall provide MOA with the Nigerian entity that will carry out minor/major maintenance of the nominated rig for the duration of this contract.
- Tenderer shall provide a detailed manning organogram for the nominated rig showing at least 70% by man-hours of the personnel positions and manning level onboard the nominated rig to be occupied by Nigerian national employees.
- Provide evidence of NCDMB approval of expatriate Quota where and if applicable.
- Tenderer shall provide a list of Nigerian subcontractors with materials, goods and services that are to be locally sourced on this project couple with a valid MOA with each of them.
- Tenderer shall provide MOA with Nigerian entity planned to be engaged for catering services of the nominated rig.
- In line with the NCD Human Capacity Development Initiative, Bidder shall commit to providing Project-Specific training, man-hour, budget, skill development and understudy plan for Nigerian personnel utilizing OGTAN registered trainer(s) or other approved NCDMB training institution(s).

NOTE: Non-compliance with Nigerian content requirements is a FATAL FLAW
