## TENDER OPPORTUNITY SHORELINE SHEET PILE PROTECTION AND SAND FILLING IN ALL SWAMP AREA FLOWSTATIONS AND BRASS TERMINAL NIPEX TENDER NO.:00000152

### 1. INTRODUCTION

Nigerian Agip Oil Company Limited (NAOC) intends to put in place a call off Contract for Shoreline Sheetpile Protection and Sand filling in all Swamp Area Flowstations and Brass Terminal.

Contractor shall cover all costs and expenses for all services provided hereunder for the duration of the contract.

The proposed contract shall cover for a period of 2 years within (2) years contract duration.

NAOC, through this Tender Opportunity, announces to interested reputable Nigerian civil works Companies/Owned by Registered and prequalified Companies in line with Clause 3 (2) of the NOGICD Act 2010 of the defined scope of service hereunder.

### 2. SCOPE OF WORK

This shall include but not limited to the following

- Construction of permanent works
- Construction of temporary works including provision for the relocation of existing under ground elements of infrastructure.
- Carry out bathymetric survey and detail engineering design for approval.
- Procurement of all materials for works and its transportation to work site.
- Dredging and Sharp sand filling of the piled/reclaimed area with approved only sharp sand material.
- Piling/driving of L23 sheet piles to refusal and the welding of additional sheet pile length where necessary to make up level to the river bank.
- Procurement and installation anchorage/dead man as per design
- Provision of geotextile material
- Construction of reinforced concrete capping beam.
- NAOC anticipates to award one contracts at the lowest bidders price to the 1<sup>st</sup> lowest bidders respectively.
- Project close out report and As- built documentation submission for approval and commission.

### 3. MANDATORY REQUIREMENTS

- To be eligible for this tender exercise, interested Contractors are required to be pre-qualified under **product code 3:05:08 - Civil Works / Building Contracting Services Including 4.03.01-Steel/Metal/Concrete Structure/Platforms** in NipeX Joint Qualification System (NJQS) data base.

All successfully pre-qualified suppliers in this categories will receive Invitation to Technical Tender (ITT).

- To confirm if you are pre-qualified and view the product/service category you are listed for: Open [www.nipexng.com](http://www.nipexng.com) and access NJQS with your log in details, click on continue Joint Qualification Scheme tool, click check my supplier status and then click supplier product group.
- If you are not listed in a product/service category but you are registered with DPR to do business, contact NipeX office at **No. 8 Bayo Kuku Road, Ikoyi, Lagos** with your DPR certificate as evidence for verification and necessary update .
- To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system.

### 5. CLOSING DATE

Only tenderers who are registered with the relevant **product codes 3.05.08 & 4.03.01** as at **7th of May, 2019** being the advert closing date, shall be invited to submit Technical Bids.

### 6. ADDITIONAL INFORMATION

This advertisement of "Tender Opportunity" shall not be construed as a commitment on part of NAOC, nor shall it entitle Applicants to make any claims whatsoever and/or seek any indemnity from NAOC and/or any of its Partners by virtue of such Applicants having responded to this Advert.

- Please visit the NipeX Portal at [www.nipex-ng.com](http://www.nipex-ng.com) for this Advert and other information. Also note that this tender will be progressed through NipeX system.

### 4. NIGERIAN CONTENT

Bidders are invited to express complete understanding and willingness to comply with provisions of the Nigerian Oil and Gas Industry Content Development (NOGICD) Act 2010. Consequently, bidders' submissions shall be evaluated strictly with the minimum evaluation criteria defined in 'The Act'.

The documentation for evaluation shall include, but not limited to the following:

- Demonstration that entity is a Nigerian registered company as defined in the NOGICD Act 2010 by providing details of Company ownership and share holding structure with clear certified true copies of bidders' Corporate Affairs Commission (CAC) forms CO2 and CO7.
- Nigerian Content Plan that demonstrates the full utilization of Nigerian labour and services with detailed description of role, work scope and man-hours in order to achieve the minimum target as set out in the requirements of the NOGICD Act 2010. Where in-country capacity is inadequate, propose innovations to bridge the gap.
- Current and in-place organizational structure with detailed experience and skills of key management personnel with names. Provide evidence (personnel lists and positions with organizational chart to substantiate) of percentage of management that are Nigerian nationals and the percentage of the total workforce that are Nigerians.
- Where the bidding entity lacks capacity, genuine alliances with multinational companies for the purpose of technology transfer shall be encouraged. The alliance/joint venture shall be executed with binding Memorandum of Agreement (MOA) signed by chief executives of both entities stating clear work-share ratio among the parties and time frame for growth or transfer to be achieved.
- Evidence that the project services shall be performed in Nigeria with a clear demonstration of local office address (not P. O. Box) with verifiable evidence of staffing levels; this will be supported by full description of Nigerian office to domicile engineering.
- Detail past/present commitment to staff training and development of Nigerian personnel.
- Furnish detailed training plan for the service.
- Provide evidence (personnel list) of percentage management that are Nigerian nationals and of the total workforce that are Nigerians.
- Provide evidence to show that a minimum of 50% of the equipment to be deployed for the work is owned by the Nigerian subsidiary if international.
- Bidder's sourcing strategy/plan for this scope of service; and evidence of source of products, materials etc with details of the applicants relationship with local suppliers and service providers e.g. in the management of logistics, personnel etc
- Evidence of the address and location where project management activities will be coordinated in Nigeria.
- Detailed specific programmes in place to transfer technology and skills to Nigerian businesses.

**NOTE:** Failure to meet the Nigerian Content requirements is a "FATAL FLAW."

**NOTE:** Only Nigerian Companies are qualified for this service.

- Bidders shall be requested to provide evidence to show their compliance with the above listed requirements at the ITT stage.
