3.0 MANDATORY REQUIREMENTS

- To be eligible for this exercise, interested Tenderers are required to be pre-qualified and 'live' in the DRILLING RIG SERVICES category in NipeX Joint Qualification System (NJQS) database. All successfully pre-qualified suppliers in this category will receive a Technical Invitation to Tender (ITT).
- To determine if you are pre-qualified and view the product/service category you are listed for: Open <http://vendors.nipex-ng.com> and access NJQS with your log in details, click on continue Joint Qualification Scheme tool, click check my supplier status and then click supplier product group.
- If you are not listed in a product/service category, but you are registered with NUPRC to do business, contact NipeX office at 8 Bayo Kuku Road, Ikoyi, Lagos. with your NUPRC certificate as evidence for verification and necessary update.
- To initiate the JQS pre-qualification process, access <http://vendors.nipex-ng.com> to download the application form, make necessary payments and contact NipeX office for further action.
- To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system.

4.0 NIGERIAN CONTENT

Tenderers are to note that they will be requested during the technical tender to give full details of their relevant strategy to ensure that they fully comply with the Nigerian Oil & Gas Industry Content Development (NOGICD) Act, 2010 as non-compliance will constitute a FATAL FLAW in all tender evaluations. In line with the above, Tenderers will be required to ensure that information on the following documents shall be provided by the Rig owner/bidder as part of mandatory requirements.

NIGERIAN CONTENT DEVELOPMENT:

Tenderers shall be expected by the Nigerian Content Development Monitoring Board (NCDMB) to:

- Demonstrate evidence of Nigerian ownership of the Rig including bill of sale, receipt of

purchase, share certificates in the case of Rig SPV, etc. ownership transfer documents in the case of change of ownership of the rig in addition to the bill of sale and evidence of the acquisition and that it is Nigerian flagged.

- b. Provide evidence of Memorandum of agreement (MOA) and evidence of financial plan by the Nigerian company to acquire 10% at the start of the contract and grow equity or ownership stake for the duration of the contract, in case it is not Nigerian owned.
- c. Provide commitment to utilize Nigerian third-party services not limited to maintenance, waste

management, housekeeping services, catering services etc., required for rig operations and activities.

- d. Tenderers to provide evidence of ownership in other drilling rigs or workover assets not limited to hydraulic workover Rigs, self-elevation workover Rigs (SEWOP).
- e. Commitment to meeting Nigerian manning specified for the Rig.
- f. Commitment to apply for expatriate Quota approval from the Board.
- g. Evidence of Registration on the NCDMB NOGIC JQS Portal.

5.0 CLOSING DATE
