

SHELL NIGERIA EXPLORATION AND PRODUCTION COMPANY LIMITED (SNEPCo)
TENDER OPPORTUNITY: PROVISION OF SPECIALTY MEDICAL SERVICES
TENDER REF: WS306535417(CW409103)

1.0 INTRODUCTION

SHELL hereby announces to interested and prequalified companies an upcoming tendering opportunity for the PROVISION OF SPECIALTY MEDICAL SERVICES for SNEPCO. The proposed contract will commence in Q4 2020 and remain active for a two-year duration, with a one year extension option.

Please visit the Nigerian Petroleum Exchange Portal www.nipex-ng.com for further details.

Scope of Work

Contract is required to procure the services of well-trained medical professionals with cognate and relevant post qualification experience, including the services of Doctors, Nurses and other professionals.

Locum services will also be procured, which are required to fill staff slots that are vacant and to cover periods when Doctors, Nurses and other Health Staff are absent, on training courses or on annual leave. These services are also required during periods when the demand for medical services increase (peak shaving periods), or when there is a need for a specialty service. The contractor personnel shall deliver cost-effective and curative general and specialist medical services to eligible Shell staff, dependants, contractors and third parties in line with Shell policy to sustain a healthy and productive workforce. The contractor personnel must be suitably qualified for the provision of the services, e.g. for Physician services, MBBS, BLS, ACLS and additional fellowship qualification(s) in the area of specialty plus a minimum of five (5) years' experience as a consultant in that specialty shall be required.

Note that a minimum of five (5) years post-specialization experience is required for all services, except where deemed otherwise by Shell management.

3.0 Mandatory Requirements

1. To be eligible for this tender exercise, interested contractors are required to be pre-qualified as essential service vendor in the Product Group NipeX 3.18.12 (Medical Services) category in NipeX Joint Qualification System (NJQS) data base. **Only successfully pre-qualified suppliers in this category will receive Invitation to Tender (ITT).**
2. To determine if you are pre-qualified and view product/service category you are listed for, open <http://vendors.nipex-ng.com> and access NJQS with your login details, click on continue Joint Qualification Scheme tool, click check my supplier status and then click supplier product group.
3. If you are not listed in a product/service category and you are registered with DPR to do business, contact NipeX office at 8 Bayo Kuku Road off Alfred Rewane road Ikoyi Lagos with your DPR certificate as evidence for necessary update.
4. To initiate the JQS prequalification process, access <http://vendors.nipex-ng.com> to download the application form, make necessary payments and contact NipeX office for further action.
5. To be eligible, all tenders must comply with the Nigerian Content Requirements in the NipeX system.

4.0 Nigerian Content Requirements

Vendors are to demonstrate strict compliance with the provisions of Nigerian Oil & Gas Industry Content Development Act and also provide the following requirements:

- Provide evidence of company Ownership Structure form CO2 and CO7, registration on NOGIC JQS and DPR certificate.
- Detailed description of the location of in-country committed facilities & infrastructure (Administrative offices, Storage, workshops, repair & maintenance facilities, testing facilities and laboratory) in Nigeria to support this contract
- Provide a project-specific training, man-hour budget, skill development and technology transfer plan for Nigerian personnel or indigenous business including evidence of past performance on training and development for Nigerians nationals & indigenous business. Plan for sponsorship of Nigerians to acquire competence and/or certification. Further development of local employees as professionals. Bidders are requested to execute an enforceable MOA with Local Training Service Provider (OGTAN member) for the provision of training services in specific technical disciplines involved in the project.
- Submit Tenderer's corporate organizational and project/contract specific organogram. CV's of all personnel listed in the project organogram should be submitted. For any position to be occupied by expatriate, tenderer shall provide evidence to obtain expatriate quota approval granted by NCDMB before any expatriate is deployed to execute this work scope". Complete the Personnel manning below.
- Provide evidence of at least 50% Nigerian ownership of Equipment as stated in the scope of work.
- Provide Medical and Dental Council of Nigeria (MDCN) registration
- Provide evidence of registration as health management organization.
- Provide Ministry of health (MOH) registration permit/license
- Provide details of in-country procurement plan and Binding MOA to source goods and materials.

5.0 Closing Date: Only Tenderers who are registered in the NJQS product/category **NipeX 3.18.12 (Medical Services)** as at **13th October 2020**, being the advert close date, shall be invited to submit Combined Technical and Commercial bids.

6.0 Additional Information

- All costs incurred in preparing and processing NJQS prequalification shall be to the contractor's accounts.

- This advertisement shall neither be construed as any form of commitment on the part of SNEPCO to award any contract to any company and or associated companies, sub-contractors or agents, nor shall it entitle prequalified companies to make any claims whatsoever, and/or seek any indemnity from SNEPCO and or any of its partners by virtue of such companies having been prequalified in NJQS.
- SNEPCO will communicate only with authorized officers of the pre-qualifying companies and NOT through individuals or Agents.

Please visit NipeX portal at www.nipex-ng.com for this advert and other information. Also note that this contract will be progressed through NipeX system.
