### 2.0 Mandatory Requirements

- To be eligible for this exercise, interested Tenderers are required to be prequalified in the Service Categories 3.04.20 Slickline Services in the NipeX Joint Qualification System (NJQS) database. All successfully pre-qualified suppliers in this category will receive a Technical and Commercial Invitation to Tender (ITT).
- Bidders must comply with Nigerian content requirements.
- To determine if you are pre-qualified and to view the product/service category you are listed for, log on to <http://vendors.nipex-ng.com> and access the NJQS with your log in details, click on "Continue to Joint Qualification Scheme tool", click on "check my supplier status" and then click "Supplier product group".
- If you are not listed in a product/service category you are registered with the Department of Petroleum Resources (DPR) to do business, contact the NipeX office at 8 Bayo Kuku Ikoyi Lagos Nigeria with your DPR certificate as evidence for verification and necessary update.
- To initiate the NJQS prequalification process, access [www.nipex-ng.com](http://www.nipex-ng.com) to download the application form, make necessary payments and contact the NipeX office for further action.
- To be eligible, all tenders must comply with the Nigerian Content requirements in the NipeX system.

## NIGERIAN CONTENT REQUIREMENTS

Tenderers are to note that they will be requested during the technical tender to give full details of their relevant strategy to ensure that they fully comply with the Nigerian Oil & Gas Industry Content Development (NOGICD) Act, 2010 as non-compliance will constitute a FATAL FLAW in all tender evaluations. In line with the above, Tenderers will be required to ensure that information on the following, among others, is included in their technical submission:

- Tenderer shall demonstrate that entity is a Nigerian-registered company with 51% or more Nigerian shareholding capacity. Submit certified true copies of CAC forms 10, 02 & 07 (or its equivalent; CAC 2.3, 2.4, 2.5, etc). Tenderer shall provide evidence of registration with the NCDMB NOGIC JQS and DPR.
- Provide evidence of what percentage of your key management positions is held by Nigerians and what percentage of the total work force are Nigerians. Also, show overall percentage of work to be performed in Nigeria and those by Nigerian resources relative to total work volume.
- Provide a Nigerian Content Execution Plan providing a detailed description of the role, work scope, man-hours and responsibilities of all Nigerian companies and personnel that would be involved in executing the work. Also provide details of Nigerian Content focal point or manager.
- Submit Tenderer's corporate and project/contract specific organograms
- In line with the latest NCDMB NCEC approved guideline, bidders shall provide evidence of NCEC Category C NCEC and or Category 1 or 2 Construction and Movable equipment group (EC) NCEC to demonstrate ownership of Slickline Services equipment
- Provide detailed description of the location of in-country committed facilities & infrastructure (Technical/Administrative office) in Nigeria to support this contract.
- Tenderer shall comply with the latest approved version of NCDMB HCD guideline by committing (via a letter of undertaking) to providing Project-Specific training, man-hour, budget, skill development and understudy plan for Nigerian personnel utilizing OGTAN registered trainer(s) or other approved NCDMB training institution(s).
