14. Provide details on any other Nigerian Content initiative your company is involved in.
15. Tenderer shall submit deed of ownership, bill of sales and Lloyd's registrations for verifying proof of Nigerian ownership of at least 51% of its nominated Barge.
16. Tenderer shall submit verifiable proof of its registration with the regulatory agency i.e. NIMASA current year valid certificate of Nigerian registration licence as a shipping company.
17. Tenderer should be registered with the NOGICD JQS and also categorized under the NCDMB marine categorization.

NOTE: Failure to comply with the provision of the Nigerian Content Act 2010 or to demonstrate commitment to the development of the Nigerian Content Policy shall result in disqualification from this bidding process.

5. CLOSING DATE

Only Tenderers who are pre-qualified in the following Product/ Service categories; 3.11.09 (Telecommunication Systems, Integration Installation / Support Services) & 3.11.10 (Data /Voice and Message Transmitting Services) categories as at 9th April, 2018, being the advert closing date shall be invited to submit Technical Bids.

4. NIGERIAN CONTENT

COMPANY is committed to the development of the Nigerian Oil and gas business in compliance with the Nigerian Content Act 2010 for Nigerian Content Development.

As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian oil and gas industry shall be consistent with the level set in the Schedule of the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (The Board).

Tenderer shall comply with all the provisions of the Nigerian Content Act that relate to this contract, but in particular, must comply with the minimum Nigerian Content % for the scopes which are covered in the Schedule of the Act and any other requirement that may arise from time to time not explicitly stated in this contract but which apply to the contract in fulfillment of the Nigerian Content Act, in the submission of their Tender.

Failure to fully comply with the Nigerian Content Act or demonstrate commitment to Nigerian Content Development Policy of the Nigerian government shall result to disqualification from bidding this contract.

As part of their submissions, Tenderer shall:

1. Develop a Nigerian Content Plan (NCP), which shall explain the methodology of how it intends to comply with the requirements of the Act and how to achieve the set target(s) in the Schedule of Nigerian Oil & Gas Industry Content Development Act and any targets set by The Board.
2. Develop a Research & Development Plan which shall explain the methodology of how it intends to promote education, attachments, training, research and development in Nigeria in relation to the contract.
3. Develop a Technology Transfer Plan which shall explain the methodology of how it intends to promote the effective transfer of technologies from alliance partners to Nigerian individuals and companies.
4. Develop an employment and training plan which shall explain how first considerations shall be given to employment and training of Nigerians in work programme on the contract, hiring and training needs with a breakdown of the skills needed and anticipated skill shortage in the Nigerian labour force including the training and understudy program for succession planning.

6. ADDITIONAL INFORMATION

- (a) Failure to provide any of the listed documents or information may automatically disqualify the Supplier.
- (b) This notice and the ensuing qualification process neither creates any commitment by TEPNG nor establish any legal relationship with TEPNG.
- (c) All costs incurred in registering and prequalifying for this and other service categories in NJQS shall be borne solely by the Contractors/suppliers.
- (d) This advertisement shall neither be construed as an invitation to Tender (ITT) nor a commitment on the part of TEPNG to award a contract to any supplier and / or associated companies, subcontractors or agents.
- (e) The ITT and any further progression of this tender shall be via NipeX. Interested bidders are therefore advised to ensure that their profiles in NipeX are active with a valid official email address accessible by their organization as this shall be the only means to transmit the ITT.
- (f) Tendering process will be the NNPC contracting process requiring pre-qualified companies to submit technical tender first. Following a technical review, only technically and financially qualified contractors will be requested to submit commercial tenders.
- (g) Man hour figures for Capital Project Portfolios are estimates to provide definition to the scope and do not constitute guaranteed quantities.
- (h) COMPANY will only recognize and correspond with duly authorized officers of the pre-qualified bidders and NOT through individuals or agents acting on their behalf.
- (i) Interested contractors should note that TEPNG has very cordial relationship with the host communities of the sites where these services will be performed based on existing Memorandum of Understanding (MOU). Prospective contractors will be required to implement the obligations of the MOU as part of their contract.
