

TENDER OPPORTUNITY: PROVISION OF FIRE FIGHTING AND RESCUE SERVICE IN PORT HARCOURT OFFICES AND RESIDENCES

NipeX Tender Ref. No: 100000607

1. INTRODUCTION

Total Exploration & Production (TEPNG) Nigeria Limited, operator of the NNPC/TEPNG Joint Venture invites interested and reputable Contractors with suitable equipment, technical capacity and relevant experience to tender for the technical bidding phase for the provision of fire fighting and rescue services for Port Harcourt offices, Residences and may involve responding to municipal fire within Port Harcourt metropolis. They are all accessible by road.

2. SCOPE OF WORK

Services to be provided shall include as a minimum the following:

- Provision of Firemen:** The CONTRACTOR will provide firemen that have sufficient experience, competences and qualifications that meet the service descriptions.
- Fire Advisory Role:** The firemen shall render fire prevention advisory roles to the COMPANY, Fire Fighting Awareness for Staff
- Fire Prevention:** The firemen shall place more emphasis on fire prevention rather than fire fighting. That implies that the firemen shall initiate processes and procedures that would prevent onset of fire.
- Fire Safety Inspection/Audit:** The firemen would carry out fire safety inspection/Audit of the COMPANY facilities and fire fighting equipment at intervals defined by the COMPANY.
- Servicing and Preventive Maintenance of Fire Fighting Equipment:** The CONTRACTOR shall ensure that all the COMPANY fire fighting equipment is maintained functional and up-to-the-minute combat ready condition.
- Emergency Rescue:** In fire scenarios or in a situation where a person is trapped in a building (lift, room, etc) the firemen shall act professionally to rescue the trapped person while not putting himself at safety risk. Managing Fire & Rescue Emergency Call Centre
- Fire Fighting & Intervention:** Use various equipment and gadgets provided by the COMPANY to suppress and control fire.
- Fire Incident Investigation:** In the event of a fire incident, the firemen may be required to identify, note and preserve evidence that could help investigation & identification of the root cause of a fire incident. They may also be required to give expert support in fire incident investigation
- Emergency Drills and Exercises:** The firemen shall be required to plan, organize and execute (with COMPANY approval) emergency drills and exercises relating to various credible fire scenarios.
- Firemen Welfare:** The CONTRACTOR shall be responsible for the activities and welfare of its employees while engaged within COMPANY facilities.
- Workmen Compensation & Insurance:** The CONTRACTOR shall have a Life Insurance scheme for the firemen.
- Personnel Protective Equipment (PPE):** COMPANY shall provide standard Fire fighting Turn-Out Apparels, Proximity Suits, Flame Entry Suits, Firemen Safety shoes, High Visibility Vest, Self Contained Breathing Apparatus (SCBA), Firemen hand gloves and Firemen helmet. All other PPE such as coveralls, conventional hand gloves, helmets, ear muffs, goggles, safety shoes, etc shall be provided by the CONTRACTOR and must meet the COMPANY PPE standards & specifications.
- Pension Scheme:** The CONTRACTOR shall study the relevant law concerning employee pension and shall subscribe to the one that would serve the best interest of his employees.
- Medical:** It is the responsibility of the CONTRACTOR to provide medical treatment for his employees.

3. MANDATORY REQUIREMENTS

- To be eligible for this tender exercise, interested contractors are required to be pre-qualified in the Product/Service Categories **1.16.03 - (Firefighting Equipment /Products)** and **3.05.18 - (Safety/Protection/Security/Firefighting System Services)** Category A-D in NipeX joint Qualification system (NJQS) database. All successfully pre-qualified suppliers in these categories will receive an Invitation to Technical Tender (ITT).
- To determine if you are pre-qualified and can view the product/service category you are listed for; Open www.nipex-ng.com and access NJQS with your log in details, click on continue Joint Qualification Scheme tool, click check my supplier status and then click supplier product group.
- If you are not listed in a product/service category you are registered with DPR to do business, contact NipeX office at 30, Oyinkan Abayomi Street, Ikoyi Lagos with your DPR certificate as evidence for verification and necessary update.
- To initiate the NJQS pre-qualification process, access www.nipex-ng.com to download application form, make necessary payments and contact NipeX office for further action.
- To be eligible, all tenders must comply with the Nigerian content requirements in the NipeX system.

4. NIGERIAN CONTENT

COMPANY is committed to the development of the Nigerian Oil and Gas business in compliance with the Nigerian Content Act 2010 for Nigerian Content Development. As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas industry shall be consistent with the level set in the Schedule of the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (The Board). Tenderer shall comply with all the provisions of the Nigerian Content Act that relate to this contract but in particular comply with the minimum Nigerian Content 98.2% for the scopes which are covered in the Schedule of the Act and any other requirement that may arise from time to time not explicitly stated in this contract but which apply to the contract in fulfillment of the Nigerian Content Act, in the submission of their Tender.

Failure to fully comply with the Nigerian Content Act or demonstrate commitment to Nigerian Content Development Policy of the Nigerian government shall result to disqualification from bidding this contract.

As part of their submissions, Tenderer shall:

- Develop a Nigerian Content Plan (NCP), which shall explain the methodology of how it intends to comply with the requirements of the Act and how to achieve the set target(s) in the Schedule of Nigerian Oil & Gas Industry Content Development Act and any targets set by The Board.

Maximizing Nigerian Content is a key contract priority, therefore for foreign companies and multinationals in alliance with a local company, submit evidence that the local company is an indigenous company and the binding Agreement of the alliance duly signed Agreement by the CEO of both parties and stating the specific work scope to be performed by each member of the alliance.
- Provide detailed description of the location of in-country committed facilities & infrastructure (assets, equipment, technical office, and administrative space, storage, workshop, assembly area, repair & maintenance, testing, laboratory, etc) in Nigeria to support this contract, evidence that 50% of all equipment deployed to work by multinational and international companies are owned by the local subsidiaries.
- Provide a project-specific training, man-hour budget, skill development and technology transfer plan for Nigerian personnel or indigenous business including evidence of past performance on training and development for Nigerians nationals & indigenous business. Plan for sponsorship of Nigerians to acquire competence and/or certification. Further development of local employees as professionals. Proposed training plan for Nigerians on the project including a brief training outline for OEM products, engineering, software & hardware, project management, procurement, construction, installation, start-up & commissioning, maintenance, testing and operations.
- Provide evidence (personnel list and positions with organization chart to substantiate) of percentage of management that are Nigerian Nationals and the percentage of the total workforce that are Nigerians.
- Submit Tenderer's corporate organization's overall human resources structure (mgt, supervisors, senior & junior skilled officers, etc) identifying positions manned/occupied.
- Tenderer shall be expected to submit verifiable evidence of the OEM's Nigerian Content Equipment Certificate (NCEC) issued by NCDMB during the technical phase of bidding.
- Tenderer shall achieve minimum Nigerian Content of 90% by spend as specified in the category of logistic management services target in the NOGICD Act
- Provide details on any other Nigerian Content initiative your company is involved in.
- Tenderer shall submit proof of certification from OEM AND ALSO SHOW EVIDENCE of Nigerian ownership of at least 51% of company
- Tenderer shall submit verifiable proof of its registration with the regulatory agency i.e. current year valid certificate..
- Tenderer should be registered with the NOGICD JQS and also categorized under the NCDMB Energy / Electrical power supply categorization.
- Develop a Research & Development Plan which shall explain the methodology of how it intends to promote education, attachments, training, research and development in Nigeria in relation to the contract.
- Develop a Technology Transfer Plan which shall explain the methodology of how it intends to promote the effective transfer of technologies from alliance partners to Nigerian individuals and companies.
- Develop an employment and training plan which shall explain how first considerations shall be given to employment and training of Nigerians in work programme on the contract, hiring and training needs with a breakdown of the skills needed and anticipated skill shortage in the Nigerian labor force including the training and under study program for succession planning.
- Submit a plan for how you intend to give first consideration to services provided from within Nigeria with a list of work packages, 3rd party services and subcontracts that should be reserved for Nigerian indigenous contractors and those for Community Contractors including the list of services that will be provided by companies of Nigerian origin.
- Submit a plan for how you intend to give first consideration to raw materials and manufactured & assembled goods of Nigerian origin which shall include a breakdown of all raw materials to be utilized and identifying those that are found locally, finished products and materials that will be procured from Nigerian Manufacturing & assembly plants, finished goods that order can be placed from outside Nigeria through Nigerian authorized vendors and accredited agents and those that would be directly imported.

NOTE:

Failure to comply with the provision of the Nigerian Content Act 2010 or to demonstrate commitment to the development of the Nigerian Content Policy shall result in disqualification from this bidding process.

5. CLOSING DATE

Only Tenderers who are registered with NJQS for **1.16.03 - (Firefighting Equipment/ Products)** and **3.05.18 - (Safety/Protection/Security/Firefighting System Services)** Category A-D as at **October 13, 2016**, being the advert closing date shall be invited to submit Technical Bids.

6. ADDITIONAL INFORMATION

- Failure to provide any of the listed documents or information may automatically disqualify the Supplier.
- This notice and the ensuing qualification process neither creates any commitment by TEPNG nor establish any legal relationship with TEPNG.
- All costs incurred in registering and prequalifying for this and other service categories in NJQS shall be borne solely by the Contractors/suppliers.
- This advertisement shall neither be construed as an invitation to Tender (ITT) nor a commitment on the part of TEPNG to award a contract to any supplier and / or associated companies, subcontractors or agents.
- The ITT and any further progression of this tender shall be via NipeX. Interested bidders are therefore advised to ensure that their profiles in NipeX are active with a valid official email address accessible by their organization as this shall be the only means to transmit the ITT.
- Tendering process will be the NNPC contracting process requiring pre-qualified companies to submit technical tender first. Following a technical review, only technically and financially qualified contractors will be requested to submit commercial tenders.
- Man hour figures for Capital Project Portfolios are estimates to provide definition to the scope and do not constitute guaranteed quantities.
- COMPANY will only recognize and correspond with duly authorized officers of the prequalified bidders and NOT through individuals or agents acting on their behalf.
- Interested contractors should note that TEPNG has very cordial relationship with the host communities of the sites where these services will be performed based on existing Memorandum of Understanding (MOU). Prospective contractors will be required to implement the obligations of the MOU as part of their contract
