3. MANDATORY REQUIREMENTS

- To be eligible for this tender exercise, interested contractors are required to be pre-qualified in the 3.04.01 (Drilling Rigs and Production/ drilling Services) and 3.08.04 (accommodation platforms / vessels) categories in NipeX joint Qualification system (NJQS) database. All successfully pre-qualified suppliers in this category will receive an Invitation to Tender (ITT).
- To determine if you are pre-qualified and can view the product/service category you are listed for; Open <http://vendors.nipex-ng.com> and access NJQS with your log in details. Click on Products/Services Status tab to view your status and product codes.
- If you are not listed in a product/service category and you are registered with DPR to do business, contact NipeX office at No 8-10, Bayo Kuku Street, Ikoyi Lagos with your DPR certificate as evidence for verification and necessary update.
- To initiate the JQS pre-qualification process, access <http://vendors.nipex-ng.com>, to download the application form, make necessary payments and contact NipeX office for further action.
- To be eligible, all tenders must comply with the Nigerian content requirements in the NipeX system.

4.0 NIGERIAN CONTENT:

TEPNG is committed to the development of the Nigerian Oil and gas business in compliance with the Nigerian Content Act 2010 for Nigerian Content Development.

As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian oil and gas industry shall be consistent with the level set in the Schedule of the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (The Board).

Tenderer(s) shall comply with all the provisions of the Nigerian Content Act that relate to this advert and in particular comply with the minimum Nigerian Content percentage for the scopes which are covered in the Schedule of the Act. This also includes and any other requirement that may arise from time to time not explicitly stated in this advert but which apply to the service in fulfillment of the Nigerian Content Act, in the submission of their Tender.

Failure to fully comply with the Nigerian Content Act or demonstrate commitment to Nigerian Content Development Policy of the Nigerian government shall result in the disqualification of the tenderer from the bidding process.

As part of their submissions, Tenderer shall:

- Develop a Nigerian Content Execution Plan (NCP), which shall explain the methodology of how it intends to comply with the requirements of the Act and how to achieve the set target(s) in the Schedule of Nigerian Oil & Gas Industry Content Development Act and any targets set by The Board.
- Tenderers shall be categorized A/AA vendors and own the nominated Self-Elevating Work-Over Platform (SEWOP)/Jack-up Barges, duly categorized as Nigerian owned in the latest NCDMB NOGIC JQS marine vessel categorization report.
- In the event that the technical specification of the SEWOP is outside the competence of these Nigerian companies owning SEWOP, NCDMB authorization for importation shall be sought and the SEWOP shall only be imported by Nigerian indigenous companies who have demonstrated ownership of SEWOP in-country.
- International or multinational company working through a Nigerian subsidiary must demonstrate that a minimum of 50% of equipment to be deployed for execution of work shall be owned by the Nigerian subsidiary
- Demonstrate that the entity is a Nigerian indigenous company with greater than or equal to 51% Nigerian shareholding. Provide details of its Ownership Structure. Submit certified true copies of CAC form (CO2 and CO7) including Memorandum and Article of Association. Including evidence of being registered on the NCDMB NOGIC JQS
- Provide location of in-country infrastructure and facilities not limited to administrative officer, workshops, repair & maintenance facilities. e.t.c).
- In line with the NCD Human Capacity Development Initiative, Bidder shall commit to providing Project-Specific training, man-hour, budget, skill development and understudy plan for Nigerian personnel utilizing OGTAN registered trainer(s) or other approved NCDMB training institution(s).
- Provide evidence (personnel list and positions with organization chart to substantiate) of percentage of management that are Nigerian Nationals and the percentage of the total workforce that are Nigerians.
- Submit Tenderer's corporate organization's overall human resources structure (mgt, supervisors, senior & junior skilled officers, etc) identifying positions manned/occupied.

NOTE: Failure to comply with the provision of the Nigerian Content Act 2010 or to demonstrate commitment to the development of the Nigerian Content Policy shall result in disqualification from this bidding process.

5. CLOSING DATE

Only Tenderers who are pre-qualified in the 3.04.01 (Drilling Rigs and Production/ drilling Services) and 3.08.04 (accommodation platforms / vessels) categories in NipeX joint Qualification system (NJQS) database as at this advert closing date shall be invited to submit Technical Bids. Close date of advert is **28/01/2021**.

6. ADDITIONAL INFORMATION

- This notice and the ensuing qualification process neither creates any commitment by TEPNG nor establish any legal relationship with TEPNG.
- All costs incurred in registering and pre-qualifying for this and other service categories in NJQS shall be borne solely by the Contractors/suppliers.
- This advertisement shall neither be construed as an invitation to Tender (ITT) nor a commitment on the part of TEPNG to award a contract to any supplier and/or associated companies, subcontractors or agents.
- The ITT and any further progression of this tender shall be via NipeX. Interested bidders are therefore advised to ensure that their profiles in NipeX are active with a valid official email address accessible by their organization as this shall be the only means to transmit the ITT.
- Tendering process will be the NNPC contracting process requiring pre-qualified companies to submit technical tender first. Following a technical review, only technically qualified contractors will be requested to submit commercial tenders.
- Man hour figures for Capital Project Portfolios are estimates to provide definition to the scope and do not constitute guaranteed quantities.
- COMPANY will only recognize and correspond with duly authorized officers of the pre-qualified bidders and NOT through individuals or agents acting on their behalf.
