

## **NipeX SYSTEM MINIMUM REQUIREMENTS**

NipeX is accessible to all customers over the internet. However, some requirements and configurations are necessary to guarantee a fast connection and stable access. These are:-

- Personal Computer with 2.1 GHz processor and 2GB RAM or higher
- Operating System – Windows 7 or higher
- Fast Internet Access
- Web Browser – Internet Explorer 11 or higher
- A functional email address
- Most Recent Java Virtual Machine (JVM) version
- Adobe Acrobat Reader 11 or higher
- MS Office Suite – MS Office 2007 or higher

***Do not use other browsers or operating systems not stated above to avoid NipeX portal access issues***
