GM, NipeX New Year

Message

"As we welcome 2017, I would like to express

my profound gratitude to you for being with us throughout 2016 amidst our achievements and

challenges. Our sustenance in the oil and gas

industry was in part due to your overwhelming

We want to thank you for your business, your

patience, and your feedback. The modest

accomplishments we made in 2016 were due in

part to your participation, interactions and

your sincerity in seeing NipeX succeed.

patience and support.

Development seeks expertise from

online through emails. No more hard

copy. Requests should be sent to:

The eMarketplace is a collaborative environment that delivers significant value to all Stakeholders in the contracting process through comprehensive suite capabilities.

In 2017, we hope that we can join hands together to make further leaps in terms of business growth, innovation, and business integrity. Our focus will be on optimized software functionalities, forward auction, timely customer service and stress free accessibility to our services across our portals.

As some of you may be aware, some of the strides we made in 2016 include: the implementation and the use of the SRM 7.0, Online application for Product Code Addition Request, Supplier Ability to view the status of their product codes online, the recommissioning of SRM 4.0 so as to conclude on legacy tenders, reducing the Product Code from 655 product codes to 482 product codes, amongst other things.

It is my hope that our relationship in 2017 will continue to be cordial and beneficial as it was in 2016, so that we can take quantum leaps in innovative ideas and implementation of these ideas for the betterment of Nigeria.

We look forward to interacting with you in this New Year and on behalf of the NipeX-NAPIMS family, we wish you and families a truly happy New Year and a fulfilled 2017."
