NipeX OPERATIONS: JQS & eMARKETPLACE

The Joint Qualification System (JQS) is designed to pre-qualify Suppliers registered in Nigeria. It increases efficiency and instills integrity in the pre-qualification process of the Nigerian oil and gas industry.

The eMarketplace is a collaborative environment that delivers significant value to all Stakeholders in the contracting process through a comprehensive suite of capabilities.

Our Vision

To provide an industry platform for fast, efficient and transparent supply chain transactions.

Our Mission

Build transaction confidence in the supply of goods and services in Nigeria's oil and gas industry by continually adapting to the needs of customers and other Stakeholders.

NipeX CUSTOMER FEEDBACK REPORT

In this edition we shall provide report on the User Satisfaction Survey deployed to Buyers, Approvers & Suppliers.

NipeX User Satisfaction Survey is designed to obtain feedback from Users regarding their experience with NipeX. The questionnaire deployed covers six segments such as service delivery, system performance and improvement initiatives. The responses will be used to assess various aspects of our service delivery and relationship management with our Stakeholders.

Frequently Asked Questions

How would you rate NipeX Staff response to password issues?

Question:

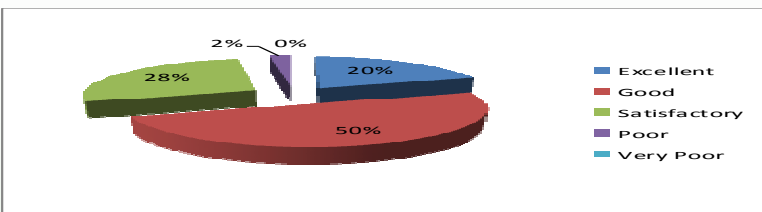

When does a Supplier's registration subscription on NipeX expire?

Answer:

How would you rate the effectiveness of NipeX Training Session?

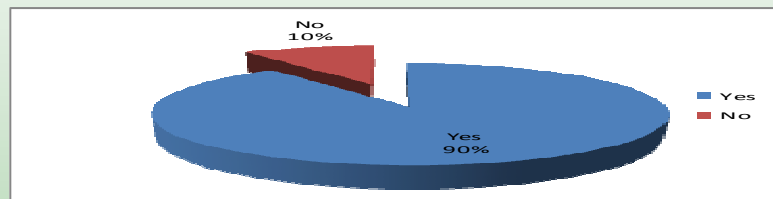

A supplier's subscription expires on the anniversary of the company's first registration with NipeX. A mandatory annual update of the questionnaire is required and failure to subscribe annually in the NJQS database will make it impossible to receive future Tenders. (Please note that it is not from your date of renewal payment).

Question:

Does your company receive the NipeX bi-monthly Newsletter tagged 'NipeX Connect'?

Is the NipeX pre-qualification audit going to cut off the technical site visit for some tenders?

Answer:

No, the pre-qualification audit will not stop technical site visit for some tenders. NipeX pre-qualification audit is distinct/different from technical site visit.
