## Nipex OPERATIONS: JQS & eMARKETPLACE

The Joint Qualification System (JQS) is designed to pre-qualify Suppliers registered in Nigeria. It increases efficiency and instills integrity in the pre-qualification process of the Nigerian oil and gas industry.

The eMarketplace is a collaborative environment that delivers significant value to all Stakeholders in the contracting process through a comprehensive suite of capabilities.

### Our Vision

*To provide an industry platform for fast, efficient and transparent supply chain transactions.*

### Our Mission

*Build transaction confidence in the supply of goods and services in Nigeria's oil and gas industry by continually adapting to the needs of customers and other Stakeholders.*
