

BELEMAOIL PRODUCING LIMITED (BPL)

BELEMAOIL

TENDER OPPORTUNITY

Provision of Helicopter (Aviation) Services **Tender**

Ref: BPL.SCM.A.2111.01, NipeX Ref:2100002404

1.0 INTRODUCTION

Belemaoil Producing Limited (BPL) in its role as operator of the NNPC/BPL Joint Venture, in its capacity as Operator of Oil Mining Lease 55 (OML 55) on behalf of itself and is under a Joint Venture (JV) with Nigerian National Petroleum Corporation (NNPC) hereby invites reputable and competent registered Nigerian companies (DPR registered and licensed) with proven experience and professional level of expertise in the provision of Aviation Services (Rotary and Fixed Wing) with specifications in the scope of work below to apply for inclusion into the bid list of the tender.

2.0 SCOPE OF WORK/SERVICE REQUIREMENTS

The bidders shall be required to provide fit for purpose helicopter type with associated services as required below:

- AS365N3 or Equivalent for routine use
- Bell 206 or equivalent for adhoc use

A regulatory requirement spells out the importance of visiting Inda Jacket 4; a jacket with a small sized helipad. Movement of personnel across the three platforms for Crew Changes and other projects are essential routine activities for steady operations.

SCOPE OF WORK

- Provide a rotary wing service including helicopters that meet required specification and schedule (which includes emergency flights) for the trips of the Aircraft to the Seven (7) landing areas: Robertkiri, PP, Idama PP, Inda PP, Inda Jacket #4, Bonny LACT, RBK LACT and Port-Harcourt.
- The provision, operation and maintenance of required helicopter to transport personnel and light items between OML 55, Port-Harcourt and production platforms in line with NCAA requirements maintenance of alternate helicopters whenever main primary helicopters are not unavailable due to maintenance or inspection requirement
- The provision of all necessary equipment and personnel for all helicopter flights including support equipment and personnel.
- The provision of history of aircraft and other relevant information
- Safety Plan (Emergency Response Plan) for travelling personnel must be provided as a part of the tender document.
- The preferred bidder (contractor) to ensure its pilots, mechanics, technicians, maintenance team will be able to schedule flights, update charts, manifests, logs, overhaul equipment and schedule routing maintenance and inspection so as not to disrupt execution of proposed service.
- Provide all required equipment, spare parts, personnel, maintenance, ground facilities, fuel, lubricants, licenses, permits to support and operate helicopters for OML 55 operational and development requirements in line with NCAA regulations.

Emergency Medevac, rescue and general evacuation of personnel and light items from OML 55 facilities to designated safe locations.

3.0 MANDATORY REQUIREMENTS
