

CHEVRON NIGERIA LIMITED

R. C. 6135

OPERATOR OF THE NNPC/CHEVRON JOINT VENTURE

TENDER OPPORTUNITY

PROVISION OF ELECTRIC SUBMERSIBLE PUMP AND RELATED SERVICES

NipeX Tender CNL.00000282

1. INTRODUCTION:

Chevron Nigeria Limited (CNL) invites interested and prequalified companies for this tender opportunity for Provision of Electric Submersible Pump and Related Services to support 2024 - 2027 JV Drilling and Completion Operations.

The contract is proposed to span two (2) years with a possible optional term of one (1) year.

2. SCOPE OF WORK:

Interested Applicants must be able to provide the following as required for Electric Submersible Pump services:

- All necessary connections for the ESP, Step-Down Transformers, VSD, Step-Up Transformer, all on-skid cabling, Skid Junction box, Wellhead Junction Box and cable between wellhead junction box and the pump.
- Provision of Field Service Representatives (FSR) and engineers for specified work scopes and ESP services as directed by Company representative.
- Provision of full servicing of ESP parts to OEM specification.
- Provision of technical training on ESPs to Company assigned personnel.
- Provision of equipment/materials and consumables to pull and install ESPs in source water wells.
- Conduct ESP equipment failure analysis as required.
- Perform rig/rig-less ESP intervention activities or as otherwise directed.
- Advise accordingly to ensure that ESP equipment selection and sizing will meet the company's design specifications and production demands.
- Provide acceptable work procedure prior to ESP intervention activities.
- Ensure that start-up and commissioning of company ESPs are conducted per acceptable industry standards.
- Provision of personnel with requisite technical knowledge to perform ESP intervention activities safely and professionally.
- Provision of end of well reports, installation reports and other requisite drawings after completion of ESP intervention activities.

3. MANDATORY TENDER REQUIREMENTS:

- To be eligible for this tender exercise, interested bidders are required to be **pre-qualified and 'live'** in **1.04.01 (Pumps (Centrifugal, Reciprocating and Rotary) category** in NipeX Joint Qualification System (NJQS) database. All successfully pre-qualified suppliers in this category by the advert close date will receive an invitation to submit Technical and Commercial Tender (ITT).
- To confirm if you are pre-qualified and view the product/service category you are listed for: Open <http://vendors.nipex-ng.com> and access NJQS with your company log in details. Click on Products/Services tab to view your status and product codes.
- If you are not listed in this product service category and you are registered with NUPRC to do business for this category, please contact NipeX office at 27b, Oyinkan Abayomi Drive, Ikoyi Lagos with your NUPRC certificate as evidence for verification and necessary update.
- To initiate the JQS prequalification process, please access www.nipex-ng.com, click on services tab followed by NJQS registration.
- To be eligible, all tenders must comply with Nigerian Content requirements in the NipeX system.

4. NIGERIAN CONTENT REQUIREMENTS:

Chevron Nigeria Limited is committed to the development of the Nigerian Oil and Gas business in observance with the Nigerian Oil and

Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

Pursuant to enactment of the NOGICD Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the schedule of the Act and any other target as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

Contractors shall comply with the provisions of the NOGICD Act and all applicable regulations. Bidders that do not meet the Nigerian Content criterion will not be allowed to participate in next Tender Stage.

The following are the Nigerian Content requirements bidders are expected to comply with in their technical bid submission:

- Tenderer shall demonstrate that entity is a Nigerian indigenous company with greater than or equal to 51% Nigerian shareholding. Submit certified true copies of CAC forms 10, 02 & 07 (or its equivalent; CAC 2.3, 2.4, 2.5, etc.).
- Provide evidence of what percentage of your key management positions is held by Nigerians and what percentage of the total workforce are Nigerians.
- Detailed description of the location of in-country committed facilities & infrastructure (Administrative/Technical offices, in-country workshop facility) in Nigeria to support this contract.
- Tenderer shall comply with the latest approved version of NCDMB HCD guideline by committing (via a letter of undertaking) to providing Project-Specific training, man-hour, budget, skill development and understudy plan for Nigerian personnel utilizing OG TAN registered trainer(s) or other approved NCDMB training institution(s).
- Provide evidence of Category 1,2,3, 4 & 5 Services and Support Group (SS) NCEC (Nigerian Content Equipment Certificate) demonstrating ownership of in-country equipment for electric submersible pump services.

Non-Compliance with Nigerian Content requirements is a Fatal Flaw.

5. CLOSE DATE:

Only tenderers who are **prequalified and 'live'** with NJQS Product/Category **1.04.01 (Pumps (Centrifugal, Reciprocating and Rotary))** by **16:00 Hours, April 19, 2024** being the advert close date shall be invited to submit technical bid.

Additional Information:

- Suppliers eligible for this tender opportunity are expected to be prequalified in NJQS under this product/service categories.
- The Invitation to Tender (ITT) and any further progression of this tender shall be via NipeX.
- All costs incurred in preparing and processing NJQS prequalification shall be solely to the bidders' accounts.
- This advertisement shall neither be construed as any form of commitment on the part of CNL to award any contract to any company and or associated companies, sub-contractors or agents, nor shall it entitle prequalified companies to make any claims whatsoever, and/or seek any indemnity from CNL and or any of its partners or affiliates by virtue of such companies having been prequalified in NJQS.
- The tendering process shall be the NNPC contracting process requiring pre-qualified companies to submit technical tenders first. Following a technical review, only technically and financially qualified bidders will be requested to submit commercial tenders.
- CNL will communicate only with authorized officers of the pre-qualifying companies and NOT through individuals or Agents.
