5. NIGERIAN CONTENT REQUIREMENTS

Mobil Producing Nigeria Unlimited is committed to the development of the Nigerian Oil and Gas business in compliance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the Schedule to the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

NNPC LTD/ MPN JV require their Contractors to comply with the Act, its attached Schedule and any applicable regulation developed by the NCDMB.

Nigerian Content (NC) in the Nigerian oil and gas industry is defined as:

"The quantum of composite value added to or created in the Nigerian economy by a systematic development of capacity and capabilities through the deliberate utilization of Nigerian human, material resources and services in the Nigerian oil and gas industry."

"Nigerian company" is a company registered in Nigeria in accordance with the provisions of Companies and Allied Matters Act with not less than 51% equity shares by Nigerians.

Bidders shall consider Nigerian content as an important element of their overall project development and management philosophy for project execution.

As part of their technical tender submissions, Tenderers shall:

1. Demonstrate that entity is a Nigerian registered company. Submit certified true copies of CAC forms 10, 02 & 07 (or its equivalent; CAC 2.3, 2.4, 2.5, etc.) including company memorandum & article of association and/or evidence of entity's incorporation, shareholding & ownership structure in Nigeria
2. Tenderer shall provide evidence of NCEC Category 1,2 & 3 under the Construction and Movable equipment group (EC), to demonstrate capacity and capability in executing the work scope.
3. Provide evidence of what percentage of your key management positions is held by Nigerians and what percentage of the total work force are Nigerians. Also, show overall percentage of work to be performed in Nigeria and those by Nigerian resources relative to total work volume.
4. Tenderer shall comply with the latest approved version of NCDMB HCD guideline by committing (via a letter of undertaking) to providing Project-Specific training, man-hour, budget, skill development and understudy plan for Nigerian personnel utilizing OGTAN registered trainer(s) or other approved NCDMB training institution(s).
5. Tenderer shall provide Location of in-country facilities (not limited to administrative office) to execute the work scope

Tenderer's failure to comply with the NOGICD Act or demonstrate commitment to Nigerian Content development will result in Tenderer's disqualification.

6. CLOSING DATE

Only bidders who are registered with Product Category 3_13_08 in NipeX as at 1600hrs on April 18, 2023, being the advert close date, shall be invited to submit Technical Bids.

7. ADDITIONAL INFORMATION

1. Interested Suppliers must be prequalified for this product/ service category in NJQS.
2. Full tendering procedure will be provided only to Contractors that have been successfully prequalified in NJQS.
3. This advertisement shall neither be construed as an Invitation to Tender (ITT) nor a commitment on the part of MPN to award a contract to any Supplier and/or associated companies, Sub-contractors or Agents.
4. This advertisement shall not entitle prequalified companies to make any claims whatsoever, and/or seek any indemnity from MPN and/or its partners by virtue of such companies having been prequalified in NJQS.
5. NNPC LTD/MPN reserves the right to reject any and or all prequalified suppliers at its sole discretion and at no costs whatsoever.
6. All costs incurred in registering and prequalifying for this and other product/service categories in NJQS shall be borne solely by Suppliers.
7. Suppliers that are prequalified for this product/ service category in NJQS must ensure that the name and contact details (physical address, email address and telephone number) of their company and authorized/ responsible personnel is up-to-date in their company profile in the NJQS database.
8. MPN shall communicate only with the authorized/ responsible personnel of prequalified companies and not through unauthorized individuals or Agents.
