

**Esso Exploration and Production Nigeria Ltd.
(ExxonMobil Subsidiaries)**

Operator of OML 133, 138, 139, 154 Deep Water Blocks

**Tender Opportunity:
PROVISION OF OIL COUNTRY TUBULAR GOODS AND SERVICES
NIPEX Number: ESSO.0000091**

1.0 INTRODUCTION

Esso Exploration and Production Nigeria Limited (EEPNL), operator of NNPC OML 133, Esso Exploration and Production Nigeria (Offshore East) Limited (EEPNOE)L, operator of OML 138, Esso Exploration and Production Nigeria (Deep Water Ventures) Limited (EEPNDWV)L, operator of NNPC OML 139 and Esso Exploration and Production Nigeria (Upstream) Limited (EEPNU)L, operator of OML 154, collectively referred to as "Esso" plans to engage competent and qualified Companies to provide Oil Country Tubular Goods (OCTG) and Services required for drilling operations on its NNPC/Esso PSC acreages.

Anticipated contract term is three (3) years with additional two (2) years optional period.

2.0 SCOPE OF WORK

The scope of work involves the provision of OCTG of various sizes (2-3/8" to 42" OD), weights, and material grades (carbon and alloy) from Company-certified mills with Company-qualified connections and coatings (where applicable); slings, shackles, clamps for lifting and movement, and running/thread storage compounds and services that comply with Company and industry standards and specifications.

In line with compliance with the NOGICD Act requirement and EEPNL's commitment in the Nigerian Content Plan, Tenderer shall note that all OCTG shall be threaded in an in-country Line pipe threading facility approved by NCDMB.

Contractor shall provide a comprehensive supply chain for OCTG equipment.

3.0 MANDATORY REQUIREMENT

- To be eligible for this tender exercise, interested Tenderers are required to be prequalified and have **LIVE status in 1.01.04 – Casing, Tubing, Liner Connectors and Accessories categories** in NipeX Joint Qualification Scheme (NJQS) data base. **All successfully pre-qualified suppliers in these categories will receive Invitation to Tender (ITT)**
- To determine if you are prequalified and view the product/service category you are listed for: Open <http://vendors.nipex-ng.com> and access NJQS with your log in details, click on continue Joint Qualification scheme tool, click check "my supplier status" and then click supplier product group.
- If you are not listed in this product/service category and you are registered with NUPRC, please contact NipeX office at No.8 Bayo Kuku Street, Ikoyi Lagos with your NUPRC certificate as evidence for verification and necessary update.
- To initiate the JQS pre-qualification process, access www.nipex-ng.com to download application form, make necessary payments and contact NipeX office for further action.

To be eligible, all tenders must comply with the Nigeria Content requirements in the NipeX system

4.0 NIGERIAN CONTENT REQUIREMENTS

Company is committed to the development of the Nigerian Oil and Gas business in compliance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010. As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the Schedule to the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

NNPC/EEPNL PSC requires their Contractors to comply with the Act, its attached Schedule and any applicable regulation developed by the NCDMB.

Nigerian Content (NC) in the Nigerian oil and gas industry is defined as:

"The quantum of composite value added to or created in the Nigerian economy by a systematic development of capacity and capabilities through the deliberate utilization of Nigerian human, material resources and services in the Nigerian oil and gas industry."

"Nigerian company" is a company formed and registered in Nigeria in accordance with the provisions of Companies and Allied Matters Act with not less than 51% equity shares by Nigerians.

Tenderers shall consider Nigerian content as an important element of their overall project development and management philosophy for project execution.

As part of their submissions, Tenderers shall:

- Demonstrate that entity is a Nigerian registered company. Submit certified true copies of CAC forms 10, 02 & 07 (or its equivalent; CAC 2.3, 2.4, 2.5, etc.) including company memorandum & article of association and/or evidence of entity's incorporation, shareholding & ownership structure in Nigeria. Tenderer shall provide evidence of registration on NOGIC JQS and NUPRC certificate.
- In line with the NCDMB published guideline of Procurement of Bare line pipes and OCTG, Tenderer shall provide any of the under-listed NCEC demonstrating capacity and capability to execute the work scope.
 - Category 1, or 2 Manufacturing and Related Services (MS) NCEC for in-country manufacturing of line pipes.
 - Category 1, or 2 Manufacturing and Related Services (MS) NCEC for line pipes.
 - Category 1 or 2 Fabrication and Construction (FC) Services NCEC for Line pipe threading facility.
- Provide evidence of what percentage of your key management positions is held by Nigerians and what percentage of the total work force are Nigerians. Also, show overall percentage of work to be performed in Nigeria and those by Nigerian resources relative to total work volume.
- Tenderer shall comply with the latest approved version of NCDMB HCD guideline by committing (via a letter of undertaking) to providing Project-Specific training, man-hour, budget, skill development and understudy plan for Nigerian personnel utilizing OGTAN registered trainer(s) or other approved NCDMB training institution(s).
- Tenderer shall provide Location of in-country facilities (not limited to OCTG threading facility) to execute the work scope.

Tenderer's failure to comply with the NOGICD Act or demonstrate commitment to Nigerian Content development will result in Tenderer's disqualification

5.0 CLOSE DATE

Only Tenderers who are registered and have **LIVE status in the 1.01.04 – Casing, Tubing, Liner Connectors and Accessories categories** in NipeX Joint Qualification Scheme (NJQS) database as at 1600hours on **August 8, 2023**, being the advert closing date, shall be invited to submit Technical Bids.
