4. NIGERIAN CONTENT REQUIREMENTS

Company is committed to the development of the Nigerian Oil and Gas business in compliance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

As from the commencement of this Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the Schedule to the Act and any other targets as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

NNPC/EENL PSC requires their Contractors to comply with the Act, its attached Schedule and any applicable regulation developed by the NCDMB.

Nigerian Content (NC) in the Nigerian oil and gas industry is defined as: "The quantum of composite value added to or created in the Nigerian economy by a systematic development of capacity and capabilities through the deliberate utilization of Nigerian human, material resources and services in the Nigerian oil and gas industry."

"Nigerian company" is a company formed and registered in Nigeria in accordance with the provisions of Companies and Allied Matters Act with not less than 51% equity shares by Nigerians.

Tenderers shall consider Nigerian content as an important element of their overall project development and management philosophy for project execution.

As part of their technical tender submissions, prequalified Tenderers shall:

- Demonstrate that entity is a Nigerian registered company. Submit certified true copies of CAC forms 10, 02 & 07. Tenderer shall provide evidence of registration on NOGIC JQS and NUPRC certificate
- Tenderer shall provide evidence of Category 1,2,3,4 or 5 Services and Support (SS) group NCEC, to demonstrate ownership of Slick line equipment to be utilized in the execution of the work scope.
- Provide evidence of what percentage of your key management positions is held by Nigerians and what percentage of the total work force are Nigerians. Also, show overall percentage of work to be performed in Nigeria and those by Nigerian resources relative to total work volume.
- Tenderer shall comply with the latest approved version of NCDMB HCD guideline by committing (via a letter of undertaking) to providing Project-Specific training, man-hour, budget, skill development and understudy plan for Nigerian personnel utilizing OGTAN registered trainer(s) or other approved NCDMB training institution(s).
- Tenderer shall provide Location of in-country facilities (not limited to administrative office) to execute the work scope.

Tenderer's failure to comply with the NOGICD Act or demonstrate commitment to Nigerian Content development will result in Tenderer's disqualification.

5. CLOSING DATE

Only Tenderers who are registered and have **LIVE** status in the **3.04.17 (Well Completion Services)** and **1.01.12 (Down hole Pressure Control Equipment)** categories in NipeX Joint Qualification Scheme (NJQS) database as at 1600hours on **July 27th 2023**, being the advert closing date, shall be invited to submit Technical Bids.
