- D. To initiate the JQS pre-qualification process, access [www.nipex-ng.com](http://www.nipex-ng.com) to download an application form, make necessary payments, and contact the NipeX office for further action
- E. To be eligible, all tenders must comply with the **Nigerian Content requirements** in the NipeX system

### 4.0 NIGERIAN CONTENT DEVELOPMENT STRATEGY

- A. Develop a Nigerian Content Plan that demonstrates the full utilization of Nigerian labour and services with a detailed description of the role, work scope and man-hours in order to achieve the minimum target as set out in the requirements of the NOGICD Act 2010 (85% Spend; Other Supporting Services) for this project. Where in-country capacity is inadequate, propose innovations to bridge the gap.
- B. A plan of how it intends to give first consideration to materials, manufactured as well as assembled goods of Nigerian origin which shall include a breakdown of all materials and consumables to be utilized and identifying those that are found locally, finished products and materials that will be procured from Nigerian manufacturing and assembly plants, finished goods that order can be placed from outside Nigeria through Nigerian
- C. Details of the company's corporate organizations, overall human resources structure (management, supervisors, senior and junior skilled officers, etc.), identifying positions manned/occupied by Nigerian nationals with evidence of the type of employment in-country and identifying the positions manned/occupied by other nationals
- D. A detailed description of the location of in-country committed facilities for the Garment(coverall) manufacturing factory.  
Bidders shall provide a binding memorandum of agreement (MOA) with verifiable Nigerian safety boots manufacturing companies for the procurement of all safety boots, Hard hats, Safety shoes, Goggles, Hand gloves, Reflective Vests, Rain Coats, Rain Boots Ear Muffs etc on this tender.
- E. Tenderers to submit a detailed training plan which shall provide sustainable training and development (including certification as applicable) for Nigerians in line with the Human Capacity Development Initiative Guideline of the Nigerian Content Development and Monitoring Board (NCDMB). The training plan will include contract-specific training and estimated man-hours. The tenderer is required to submit MOA with Oil and Gas Trainers Association of Nigeria (OGTAN) trainers to support their training plan, which shall be 15% of the project Man-hours or 3% of the total contract sum.

- F. Provide evidence to show that a minimum of 50% of the equipment to be deployed for the work is owned by the Nigerian subsidiary if the international or multinational company is working through the Nigerian subsidiary including the equipment list (Tenderer to provide verifiable evidence (purchase receipt, bill of sale, etc.) of ownership of equipment in executing this contract.
- G. Provide evidence of approved Nigerian Content Equipment Certificate or status of the application submitted to NCDMB for the certificate for the procurement of all equipment, systems and packages to be supplied on the contract (where applicable). Where Tenderer intends to use subcontractor(s)/supplier(s), Tenderer shall provide same information for the nominated supplier(s)/sub-contractor(s).
- H. All bidders for a project/contract/service with a completion period of 12 months or more are required to submit as part of the Nigerian Content requirement, a signed Memorandum of Agreement (MOA) between it and one of the research and development (R&D) Clusters established by the Nigerian Content Development and Monitoring Board (NCDMB). The MOA shall be relevant to the project and shall indicate how the bidder intends to use the relevant R&D Clusters during project execution”
- I. Detailed specific programmes in place to transfer technology and skills to Nigerian businesses
- J. Provide evidence of completed registration on the NCDMB NOGICD JQS portal.
