NipeX OPERATIONS: JQS & eMARKETPLACE

NipeX Status Update	1
GM, NipeX 2018 Message	1
New Service Offerings	1
Frequently Asked Questions	2

The Joint Qualification System (JQS) is designed to pre-qualify Suppliers registered in Nigeria. It increases efficiency and instills integrity in the pre-qualification process of the Nigerian oil and gas industry.

The eMarketplace is a collaborative environment that delivers significant value to all Stakeholders in the contracting process through a comprehensive suite of capabilities.

Our Vision

To provide an industry platform for fast, efficient and transparent supply chain transactions.

Our Mission

Build transaction confidence in the supply of goods and services in Nigeria's oil and gas industry by continually adapting to the needs of customers and other Stakeholders.

GM, NipeX New Year Message

As we welcome 2018, I would like to express my profound gratitude to you for being with us throughout 2017 amidst our achievements and challenges. Our sustenance in the oil and gas industry was in part due to your overwhelming patience and support.

It is my hope that our relationship in 2018 will continue to be cordial and beneficial as it was in 2017, so that we can take quantum leaps in innovative ideas and implementation of these ideas for the betterment of Nigeria.

We look forward to interacting with you in this New Year and on behalf of the NipeX-NAPIMS family, we wish you and families a truly happy New Year and a fulfilled 2018."

New NipeX Service offerings

Third (3rd) Party Advert Placement on NipeX Portal:

Objective: It is to meet the need of NipeX customers who wish to utilize the exposure offered by our vantage portal to create awareness for their products/services.

Third (3rd) Party Supplier Verification

Objective: The objective of the third party supplier verification is to assist current and potential customers verify the credibility of Suppliers for partnership.

Third (3rd) Party Pre-qualified Supplier Sourcing

Objective: The objective of the Third Party Pre-qualified Supplier Sourcing is to provide a pool of pre-qualified suppliers from the NJQS database for ease of tender progression.

NipeX STATUS UPDATE AS @ JAN. 23, 2018

Supplier Status in NipeX JQS

Total No. Of Pre-qualified Suppliers	4,821
--------------------------------------	-------

Tender Status in NipeX

Opportunity Phase	352
Technical Phase	361
Commercial Phase	154
Total No. Of Tenders	867

We want to thank you for your business, your patience, and your feedback. The modest accomplishments we made in 2017 were due in part to your participation, interactions and your sincerity in seeing NipeX succeed.

In 2018, we hope that we can join hands together to make further leaps in terms of business growth, innovation, and business integrity. Our focus will be on further optimized software functionalities, forward auction, timely customer service and stress free accessibility to our services across our portals.

As some of you may be aware, some of the strides we made in 2017 include: the development of a live end-to-end Demo on usage of SAP SRM 7.0 for Buyers, Approvers and Suppliers, NipeX mapped the new NJQS product codes with 2017 DPR permits for ease of supplier registration and pre-qualification, automated process for suppliers' product code addition/deletion and annual subscription renewal requests, we achieved a two-day turn around time for addressing renewal requests, amongst other things.

New NipeX Service offerings Cont'd

Frequently Asked Questions

Question:

Are all Suppliers in the NJQS database required to pay the annual renewal fee?

Answer:

No, Effective January 2014, **only Pre-qualified Suppliers** in the NipeX database are mandatorily required to pay the Annual Renewal fee of Twenty thousand naira (N20,000). However, all Suppliers are expected to update their company information on the NipeX portal annually.

To rectify this, click on the link again. If the problem persists, try using a more stable internet connection with appropriate bandwidth (Refer to bandwidth specification under general enquiries).

Question:

Are there internet browser limitations when accessing NipeX system?

Answer:

NipeX system cannot be accessed successfully with all available internet browsers. For effective access, NipeX system:

- i. Is compatible with Internet Explorer Browser version 6 and higher.
- ii. Works with other browsers but with limitations

NipeX NEWS & EVENTS

NipeX Participates in ADIPEC & NSE Conferences

NipeX participated in the concluded Abu Dhabi International Petroleum Exhibition and Conference (ADIPEC) & Nigerian Society of Engineers Conference & Exhibition on November 08-13, 2017 at the Abu Dhabi International Conference & Exhibition Centre and Chida International Conference & Exhibition Centre, Abuja respectively.

Our participation at the event explored avenues for NipeX to project its brand, showcase its service offerings and create awareness about its operations in the Nigerian Oil and Gas industry.

Important Notice to All Suppliers

A guide on new NipeX Product code booklet vs DPR Permit is available in the 'Downloads' section of NipeX portal.
