In her key note address, the GM, NipeX reiterated NipeX commitment to providing a fast, efficient, and transparent world class electronic platform that is accessible to all stakeholders for contracting purposes. She mentioned amongst other things “some of the strides NipeX made in 2017 to include the development of a live end—to—end Demo on usage of SAP SRM 7.0 for all stakeholders—Buyers, Approvers and Suppliers. In 2018, we consolidated more on these achievements. In addition, concerted efforts were made on improving our service delivery to all stakeholders. Thus, our servers which were hosted in Madrid, Spain were moved to NNPC
