## NipeX OPERATIONS: JQS & eMARKETPLACE

The Joint Qualification System (JQS) is designed to pre-qualify Suppliers registered in Nigeria. It increases efficiency and instills integrity in the pre-qualification process of the Nigerian oil and gas industry.

The eMarketplace is a collaborative environment that delivers significant value to all Stakeholders in the contracting process through a comprehensive suite of capabilities.

### ACCESSING THE NipeX SYSTEM

## THE NipeX TENDER ADVERT PROCESS

### Introduction:

The NipeX Tender Advert is the first requirement within the opportunity phase of the tender process. It informs in details opportunities available in the Nigerian Upstream Oil and Gas Industry at a given time. These opportunities include tenders advertised by NNPC and its partners. A tender advert goes through a series of processes before it finally gets published on the NipeX portal.

Requirements of the advert process:

- i. The advert draft must be in approved template
- ii. The title of the advert must read "Tender Opportunity: Contract title" with NipeX tender number.
- iii. Specific Closing/Submission date e.g. July 31, 2022, must be 15 working days from the date of publication.
- iv. The items under mandatory requirements must be exactly as in the approved template except product/service category.
- v. The title and code of the product/service category must be indicated and further confirmation should be made in the NJQS Product Guide/Booklet to ensure that the code tallies with the product/service title.
- vi. The advert draft must be in PDF format with file size <500KB and not Scanned.

### The Advert Process:

- i. Operator sends advert request through NipeX customer support mailbox:

[customersupport@nipex.com.ng](mailto:customersupport@nipex.com.ng)
